Monthly Catalog of United States Government Publications

For more than 40 years, Computerworld has been the leading source of technology news and information for IT influencers worldwide. Computerworld's award-winning Web site (Computerworld.com), twice-monthly publication, focused conference series and custom research form the hub of the world's largest global IT media network.

Semiconductor Master Selection Guide

"This booklet is written for managers and supervisors in industries that involve the manual handling of containers. It offers suggestions to improve the handling of rectangular, square, and cylindrical containers, sacks, and bags. "Improving Manual Material Handling in Your Workplace" lists the benefits of improving your work tasks. It also contains information on risk factors, types of ergonomic improvements, and effective training and sets out a four-step proactive action plan. The plan helps you identify problems, set priorities, make changes, and follow up. Sections 1 and 2 of "Improvement Options" provide ways to improve lifting, lowering, filling, emptying, or carrying tasks by changing work practices and/or the use of equipment. Guidelines for safer work practices are also included. Section 3 of "Improvement Options" provides ideas for using equipment instead of manually handling individual containers. Guidelines for safer equipment use are also included. For more help the "Resources" section contains additional information on administrative improvements, work assessment tools and comprehensive analysis methods. This section also includes an improvement evaluation tool and a list of professional and trade organizations related to material handling."--Page 6.

Commerce Business Daily

Vols. for 1970-71 includes manufacturers catalogs.

Commandant's Bulletin

Aeronautical Engineer's Data Book is an essential handy guide containing useful up to date information regularly needed by the student or practising engineer. Covering all aspects of aircraft, both fixed wing and rotary craft, this pocket book provides quick access to useful aeronautical engineering data and sources of information for further in-depth information. Quick reference to essential data Most up to date information available

A List of Small Business Concerns Interested in Performing Research and Development

Volume II of the manual that has been absolutely indispensable to the ship's engineer for over forty years was completely updated by a team of practicing marine engineers in 1991. Chapters on obsolete equipment were deleted; those on systems that are still current were updated; and new chapters were written to cover the innovations in materials, machines, and operating practices that evolved recently.

List of Small Business Concerns Interested in Performing Research and Development

Contains a list of all manufacturers and other specified processors of medical devices registered with the Food and Drug Administration, and permitted to do business in the U.S., with addresses and telephone numbers. Organized by FDA medical device name, in alphabetical order. Keyword index to FDA established standard names of medical devices.

IEEE Circuits & Devices

Companies traded over the counter or on regional conferences.

Computerworld

June issues, 1941-44 and Nov. issue, 1945, include a buyers' guide section.

Solar Energy Update

Guide students through the new syllabus with a full-colour, revised edition of a well-known and trusted title, and prepare them for post-secondary and professional studies in Accounting. - Ensure students understand a range of theoretical and practical techniques used in accounting. - Enable students to participate more effectively and responsibly in today's business environment and improve management of budgeting, savings and investment. - Navigate the revised syllabus with ease with a book matching the structure and coverage, as well as including a detailed section on the Student Based Assessment with an annotated example to help students when planning their own. - Prepare for examinations with the 'Helpful hints' feature, containing study tips, practice tips and examiner tips; practice questions are also included in the Student eTextbook. - Make topics relatable with case studies included.

Scientific and Technical Aerospace Reports

Includes all works deriving from DOE, other related government-sponsored information and foreign nonnuclear information.

Ergonomic Guidelines for Manual Material Handling

Established in 1911, The Rotarian is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Ghandi to Kurt Vonnegut Jr. – have written for the magazine.
